Overview: The annual International Conference on Wireless Communications and Signal Processing (WCSP) aims to provide a forum that brings together International researchers from academia and practitioners in industry to meet and exchange ideas and recent research work on all aspects of wireless communications and signal processing. Following the great success of WCSP'09, WCSP'10, and WCSP'11, the fourth edition of the event, WCSP'12, will be held in **Huangshan (Yellow Mountain)** city, Anhui Province, China, on October 25-27, 2012. The conference will be sponsored and organized by the National Mobile Communications Research Lab at Southeast University, China, and technically co-sponsored by the IEEE and IEEE Communications Society. It will consist of four symposia with keynote speeches, technical sessions, and workshops.

Technical Symposia: Prospective authors are welcome to submit original technical papers for publication in the conference proceedings and for presentation at the following four symposia:

1. **Communication Theory Symposium**
    Co-Chairs: Nan Liu — Southeast University, China
    Xiaoli Ma — Georgia Institute of Technology, USA
    Deniz Gunduz — Centre Tecnològic de Telecomunicacions, Spain

2. **Wireless Communications Symposium**
    Co-Chairs: Xianbin Wang — University of Western Ontario, Canada
    Koichi Adachi — Institute for Infocom Research, Singapore
    Fulvio Babich — University of Trieste, Italy
    Wenyi Zhang — University of Science and Technology of China, China

3. **Wireless Networking Symposium**
    Co-Chairs: Cheng Li — Memorial University, Canada
    Wanjiun Liao — National Taiwan University, Taiwan
    Vojislav B. Mišić — Ryerson University, Canada
    Jalel Ben Othman — University of Paris 13, France

4. **Signal Processing Symposium**
    Co-Chairs: Tiffany Jing Li — Lehigh University, USA
    Feifei Gao — Tsinghua University, China
    Arumugam Nallanathan — King's College London, UK
    Shi Jin — Southeast University, China

Workshops: Proposals are solicited for half or full-day workshops. Potential organizers are welcome to submit a proposal to one of the workshop chairs.

Publication: All accepted and presented papers will be included in the WCSP 2012 Conference Proceedings and IEEE Xplore Digital Library, and indexed by EI Compendex.
