

GENERAL INFORMATION

The International Conference on Wireless Communications and Signal Processing (WCSP) brings together scholars and industry practitioners worldwide to share insights and latest research achievements across information and communication technologies. WCSP 2026 will take place in Shenzhen, Guangdong, China, from November 12 to 14, 2026, themed "Empowering Wireless Communications and Signal Processing with Intelligence".

All accepted and presented papers will be published in the WCSP 2026 Conference Proceedings. Notably, all papers from WCSP 2009 to 2025 have been archived in IEEE Xplore Digital Library and indexed by Ei Compendex.

PAPER SUBMISSION
Original Manuscript Submission

- Authors should submit their original manuscripts via EDAS.
- Only PDF files will be accepted for the review process.
- During the submission process, please select WCSP'26 and submit your manuscripts to a symposium that is most relevant to your manuscripts.
- The submitted PDF file and the registered information of a paper must list the same author(s), title and abstract (minor wording differences in the abstract are acceptable).
- Please add all authors in EDAS during the submission process.
- Failure to comply with this rule may result in the withdrawal of your papers from the review process.
- The author list of an accepted paper CANNOT be changed in the final manuscript.

*Authors must prepare the manuscripts in strict compliance with the submission guidelines: <http://www.ic-wcsp.org/2026/author.html>

IMPORTANT DATES

Submission Deadline	Aug. 10, 2026
Acceptance Notification	Sept. 25, 2026
Camera-ready Paper	Oct. 15, 2026
Conference Dates	Nov. 12-14, 2026

ORGANIZING COMMITTEE
General Chairs

Zaichen Zhang, Southeast University
Qinyu Zhang, Harbin Institute of Technology (Shenzhen)
Mugen Peng, Beijing University of Posts and Telecommunications
Hossam Hassanein, Queen's University

General Vice Chairs

Wei Fan, Southeast University
Tingting Zhang, Harbin Institute of Technology (Shenzhen)
Weixiao Meng, Harbin Institute of Technology

Technical Program Chairs

Shuai Han, Harbin Institute of Technology
Liang Wu, Southeast University
Jalel Ben-Othman, University of Paris 13

Technical Program Vice Chairs

Lin Gao, Harbin Institute of Technology (Shenzhen)
Shuyi Chen, Harbin Institute of Technology
Hao Jiang, Southeast University

Invited Talk Chairs

Liang Zhou, Nanjing University of Posts and Telecommunications
Qimei Cui, Beijing University of Posts and Telecommunications
Jianjun Yu, Fudan University

Publicity Chairs

Xiaohu Tang, Southwest Jiaotong University
Haixia Zhang, Shandong University
Liang Xiao, Xiamen University

Financial Chairs

Lining Kuang, Tsinghua University
Jian Dang, Southeast University

Local Chairs

Chenyu Wu, Harbin Institute of Technology
Tianhao Liang, Harbin Institute of Technology (Shenzhen)

Steering Committee Chair

Zaichen Zhang, Southeast University

International Advisory Committee Chair

Sherman Shen, University of Waterloo

Secretary

Zhiqiang Li, Harbin Institute of Technology
Mufei Zhao, Northeastern University

CONFERENCE ORGANIZERS
Organizers

Technical Co-sponsors

TECHNICAL SYMPOSIA
1. AI/ML for Next-Generation Wireless Systems
Co-Chairs

Xiao Chen, Nanjing University of Information Science and Technology
Pengcheng Guo, National Key Laboratory on Test and Evaluation for ElectroMagnetic Space Security
Huiyun Xia, Nanjing University of Posts and Telecommunications

2. Integrated Sensing, Communication, and Computing
Co-Chairs

Sai Xu, University College London
Zuohong Xu, National University of Defense Technology
Ziyi Gong, Purple Mountain Laboratories

3. IoT and Massive Connectivity in 5G-Advanced and 6G
Co-Chairs

Zijun Gong, Hong Kong University of Science and Technology (GZ)
Jian Dang, Southeast University
Jichong Guo, Suzhou University of Science and Technology

4. Wireless Access Technologies and Signal Processing
Co-Chairs

Ruoyu Su, Nanjing University of Posts and Telecommunications
Jinbao Zhang, Beijing Jiaotong University
Tianming Ma, Shanghai University of Engineering Science

5. Network Architecture, Softwarization, and Management
Co-Chairs

Ruofei Ma, Harbin Institute of Technology (Weihai)
Bingying Wang, Nanjing University of Information Science and Technology
Yuxiang Hu, Information Engineering University

6. Edge Intelligence, Computing, and Caching
Co-Chairs

Junhui Zhao, Beijing Jiaotong University
Xinyue Ni, Shanghai Institute of Technical Physics, Chinese Academy of Sciences
Chuiyang Meng, University of British Columbia
Qifa Yan, Southwest Jiaotong University

7. Security, Privacy, and Trust in Wireless Networks
Co-Chairs

Zhangjie Peng, Shanghai Normal University
Junjun Wang, Beihang University
Deyue Zou, Dalian University of Technology

8. High-Frequency and Optical Wireless Communications
Co-Chairs

Bingcheng Zhu, Southeast University
Ziyuan Shi, King Abdullah University of Science & Technology
Ru-Han Chen, National University of Defense Technology

9. Integrated Space-Air-Ground Networks
Co-Chairs

Zhi Lin, National University of Defense Technology
Heng Liu, Beijing Institute of Technology
Wenbin Sun, Northwestern Polytechnical University

10. Green and Sustainable Wireless Technologies
Co-Chairs

Yin Xu, Shanghai Jiao Tong University
Wanlong Zhao, Harbin Institute of Technology (Weihai)
Nuo Huang, University of Science and Technology of China

11. Emerging Applications and Systems Experiments
Co-Chairs

Tao Jiang, Huazhong University of Science and Technology
Ji Chen, Southeast University
Zhaoyang Wang, Zhengzhou University

12. Reconfigurable Wireless Technologies and Fluid Antenna Systems
Co-Chairs

Zhihao Jiang, Southeast University
Xuanli Wu, Harbin Institute of Technology
Hao Jiang, Southeast University

13. Recent Advances in Low Altitude Wireless System
Co-Chairs

Weidang Lu, Zhejiang University of Technology
Sheng Zhou, Tsinghua University
Nan Zhao, Dalian University of Technology
