Overview:

The annual International Conference on Wireless Communications and Signal Processing (WCSP) aims to provide a forum that brings together International researchers from academia and practitioners in industry to meet and exchange ideas and recent research work on all aspects of wireless communications and signal processing. Following the great success of WCSP'09-16, the ninth edition of the event, **WCSP 2017**, will be held in **Nanjing**, Jiangsu, China, on **October 11-13, 2017**. The conference will feature keynote speeches and technical sessions, and will be co-located with **IEEE 5G Summit**, which will be held on October 14, 2017.

WCSP 2017 is technically co-sponsored by IEEE, IEEE Communications Society, IEEE Communications Society Nanjing Chapter, IEEE Signal Processing Society Nanjing Chapter, IEEE Vehicular Technology Society Nanjing Chapter. All accepted and presented papers will be included in the WCSP 2017 Conference Proceedings and submitted for inclusion in the IEEE Xplore Digital Library. All papers published in the WCSP 2009-2016 Conference Proceedings have already been included in the IEEE Xplore Digital Library and indexed by EI Compendex.

Paper Submission:

Prospective authors are invited to submit high-quality original technical papers for presentation at the conference and publication in the WCSP 2017 proceedings. All papers for technical symposia should be submitted via EDAS.

1. **Ad Hoc and Sensor Networking Symposium**

2. **Communication Theory Symposium**

3. **Wireless Communications Symposium**

4. **Wireless Networking Symposium**

5. **Signal Processing Symposium**
