

2018 International Conference on Wireless Communications and Signal Processing

18-20 October 2018, Hangzhou, China

In October 2018, the 10-th International Conference on Wireless Communications and Signal Processing (WCSP2018) will be held in Hangzhou, China. WCSP aims to gather International researchers from academia and industry to meet and exchange ideas and recent research works across the broad field of wireless technologies. The conference will be organized by the Zhejiang University, China. You are invited to submit technical papers in any areas of wireless communications, signal processing and applications. Potential topics are solicited in, but not limited to the following areas:

1. Communication Theory
2. Wireless Communications
3. Wireless Networking
4. Signal and Information Processing
5. Network and Information Security
6. Machine Learning in Communications and Signal Processing

7. Underwater Acoustic Signal Processing and Communications
8. Internet of Things

General Co-Chairs

Yonghua Song, Zhejiang University, China

Lajos Hanzo, University of Southampton, UK

TPC Co-Chairs

Zhaoyang Zhang, Zhejiang University, China

Tony Quek, Singapore University of
Technology and Design, Singapore

Important dates:

Submission deadline: Jun. 15, 2018

Acceptance notification: Aug. 18, 2018

Camera-ready paper: Sept. 1, 2018

Conference dates: Oct. 18-20, 2018
