

## CALL FOR PAPERS

### WCSP 2018

## Network and Information Security Symposium

October 18-20, 2018, Hangzhou, China

<http://www.ic-wcsp.org>

The 10<sup>th</sup> International Conference on Wireless Communications and Signal Processing (WCSP 2018) will provide an international forum that brings together researchers from academia and practitioners from industry to exchange advances in recent research work on all aspects of wireless communications and signal processing.

The Network and Information Security Symposium focuses on the state-of-art research topics related to all aspects of network and information security. Prospective authors are invited to submit original technical papers for publication in the conference proceedings and for presentation at the symposium. Topics of interest include, but are not limited to:

- Security for 4G/5G cellular systems
- Security for wireless networks
- Security for mobile ad hoc networks
- Security for vehicular ad hoc networks
- Security for wireless sensor networks
- Security for software-defined networks
- Security for network function virtualization
- Security risk management for wireless networks
- Message authentication for wireless networks
- Trust management for wireless networks
- Trust model design for wireless networks
- Authorization and access control for wireless networks
- Key distribution and management for wireless networks
- Cryptography and evaluation for wireless networks
- Privacy enhancing techniques for wireless networks
- Hardware and software security for wireless networks
- Security performance evaluation for wireless networks
- Security for wireless network middleboxes
- Security and privacy for mobile applications
- Security and privacy for wireless big data
- Physical security for wireless networks
- Security protocol design for wireless networks

**Submission and Publication:** Please visit the conference website at [www.ic-wcsp.org](http://www.ic-wcsp.org) for submission instructions. All accepted and presented papers will be included in the WCSP 2018 Conference Proceedings and submitted for inclusion in IEEE Xplore Digital Library.
